Attn: Monroe County Democratic Committee

Dear Committee Members,

Please accept this letter and the attached resume as an indication of my sincere interest in the Democratic Board of Elections Commissioner candidate position. I have a Bachelor’s degree in Communications from SUNY The College at Brockport; and I am currently in online graduate school for Social and Public Policy at SUNY Empire State College. My previous experience is in communications, community organizing, and customer service. I believe I would be an excellent candidate for this position.

Over the past few years, I have studied and experienced the roles and responsibilities necessary to ensure impactful dialogue inside and outside of organizations. My background includes experience in communications and social media, community organizing and customer service. My most recent experience is in non-profit donor support. Currently, I work as a remote Donor Support Associate at ActBlue, providing customer service to campaign and non-profit donors. Previously, I worked as a temporary Casework and Outreach Assistant in the District Office of Congresswoman Mikie Sherrill, providing constituent services and community outreach. In addition, to previously volunteering as the Communications Director for Butch Fitzsimmons for Monroe County Legislature’s election campaign. There I oversaw campaign communication strategy and social media accounts. Before that, I interned as a political research and policy intern for Leon Ford for Pittsburgh City Council. In addition to working as a Summer Fellow for SNAP PAC, and as a Deputy Field Organizer for the Mike Sherrill for Congress’s election campaign. Outside of my campaign background, I was also a public relations intern for Dresden Public Relations; working on events, social media, and communications plans for clients. Moreover, I have extensive customer service and interpersonal communications experience from my years working in retail and fast food. I believe the combination of my experience and education, makes me a qualified candidate to faithfully execute this position.

I look forward to speaking further with you about this opportunity. Again, thank you for your time and consideration.

Sincerely,

Andr Mitchell-Harlee
